## **Honolulu Police Community Foundation to honor KSSK's Michael W. Perry and Larry Price at 2012 Gala Event!**

(Honolulu, Hawaii) --- The Honolulu Police Community Foundation is pleased to announce the honorees at its 2012 gala fund-raising dinner entitled "Honolulu's Finest" are famed local radio personalities Michael W. Perry and Larry Price, creators of the on-air "Posse" for radio station KSSK and the longest-running continuous #1 morning drive radio team in the state.

"Mike Perry and Larry Price have served this community in so many ways, it's impossible to quantify their value to our islands," said HPCF Board President Lee Donohue. "Their 'posse' has helped track down stolen automobiles, solve crimes, and bring a sense of safety and solidarity to our state. They demonstrate what service to the community looks like in all walks of their lives, and we couldn't be prouder to have them as our 2012 honorees!"

Dr. Larry Price's diverse career has included serving as the University of Hawaii's head football coach, as a television news investigative reporter and political commentator for KITV, and as an instructor at Chaminade University. Michael W. Perry hosted the long-running "Hawaiian Host Moving Company" on KGMB for many years, and is Chairman of the Board of Directors for Rehab Hospital of the Pacific. Together, they continue to be the top-ranked radio personalities in Hawaii, as affirmed by recent ratings.

"Honolulu's Finest" will take place Friday, May 18, 2012, at 5:30 pm at the Sheraton Waikiki Ballrooms. Sponsorship tables are available at several levels (see accompanying flyer), and reservations for tables or tickets may be made at: (808) 942-3873 or the group's website

The Honolulu Police Community Foundation (501c3 non-profit organization) is dedicated to supporting police officers, their families and the community. It raises money and distributes grants annually to purchase equipment for the HPD, provide needed services not covered in the department's budget, and give scholarships for continuing education to police officers, their families, and members of the community. It has purchased and donated several dozen tasers to the HPD. For more information, visit: [www.honolulucommunityfoundation.org](http://www.honolulucommunityfoundation.org).
